Here are a few ideas of what you can do with these rights ...

Edit the content

Go ahead and edit or add to the video series to help make it your own. This is a great way to build your brand and customer loyalty.

Sell the content

There is valuable content in these videos, so you can sell them to your customers and earn some extra cash.

Add the content to a membership site

If you have a membership site that offers educational content, these videos will help you quickly add high quality content to your site.

Create a course or an autoresponder

Use these videos as part of a course (live or web based). You can also create an email, autoresponder course with these videos by adding your own commentary or advice in the body of the email and then link to the videos to offer additional how-to instructions.

Give them away for free

Do your customers need a lot of hand-holding? Your customers may be calling you for help and advice, so rather than spend time with each one of them individually, offer these videos as a quick reference. You and your customers will love them!

Use them yourself

These video are a low cost way to increase your own knowledge. What a great deal!
